Applicant thanks Examiner Pham for the opportunity to discuss aspects of this case through a telephonic interview with Applicant's Representative Thomas W. Leffert on Thursday July 14, 2005 initiated by Applicant's Representative.

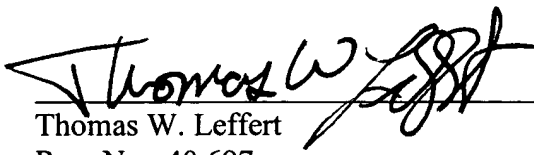

The claims had been subjected to a Restriction Requirement mailed June 29, 2004. The Restriction Requirement defined four species as those claims directed to Figures 1A-1C, Figure 3, Figure 4 and Figure 5. Applicant noted that several claims did not fall into any of the defined species. To perfect the Restriction Requirement, the Examiner further defined a fifth species as those claims directed to Figure 2, which was inadvertently omitted in the original Restriction Requirement. Applicant notes that there was no discussion as to the merits of the claims.

Applicant believes the foregoing Summary accurately reflects the substance and scope of the telephonic interview of Thursday July 14, 2005. Applicant requests notification if the Examiner disagrees with the accuracy or completeness of the Summary.

Respectfully submitted,
